Please note that for the 2022 season we have a temporary Covid specific plan for subbing when teams are affected with players in isolation.

For subbing outside the rules teams who are missing players and cannot sub from a lower grade can seek permission from WDNA to sub a player from across the grade or a higher grade to make their team viable, thus avoiding a forfeit. Clubs will need to supply evidence (e.g. Health Commission notice). This plan is only for teams affected by Covid not for nonattendance of players for other reasons.

Wyong District Netball Association.

Social Media Policy

A) INTENT OF THE POLICY

Wyong District Netball Association (hereafter referred to as WDNA) has a responsibility to provide a Cyber safe sporting environment for our playing and non-playing members and for its affiliated clubs (hereafter referred to as Clubs). Cyber safety is the safe and responsible use of *Internet and Information and Communication Technologies, including mobile phones (hereafter referred to as ICT)*. A cyber safe environment can be achieved by building on and promoting the respectful use of technology whilst at the same time working to minimise any risks.

WDNA takes seriously its responsibility in providing this robust policy. These guidelines will provide advice and direction in relation to what is considered acceptable electronic communications between and by playing and non playing members of the WDNA.

Spectators who are not members of WDNA do not fall within WDNA jurisdiction; however any incident relating to them involving a playing or non playing member of WDNA will be referred to the relevant Club, if known.

B) Organisational Responsibilities

1. The ICT devices/equipment bring great benefits to all users and to the effective operation of WDNA and the Clubs in the provision of expedient dissemination of information, the ability to promote the sport and individual club and to provide members with the ability to connect with others within the organisation. Responsible use of technology can include:

- a. Use of WDNA and Club websites to provide information about competitions, committees, policy, rules, social events or other important club related issues;
- b. Use of SMS and/or email by WDNA and Club officials to communicate Association and Club business and sanctioned social events (via parent in the case of a minor);
- c. Use of WDNA and Club social network pages (eg Facebook) to promote positive Association and Club news and events (permission to be obtained from featured individual).

2. WDNA & CLUBS must:

- a. Adopt, implement and comply with this policy.
- b. Publish, distribute and otherwise promote this policy and the consequences for breaching it.
- c. Implement and maintain rigorous and effective social media and cyber safe practices which aim to maximise the benefits of the internet and ICT and allow for the effective operation of WDNA whilst minimising and managing any risks.

C) BACKGROUND

“Cyber bullying is a way of delivering covert psychological bullying. It uses information and communication technologies to support deliberate, repeated and hostile behaviour, by an individual or group that is intended to harm others.”

1. **Inappropriate communication includes, but is not limited to, the following misuse of technology:**

- a. harassing, teasing, intimidating or threatening another WDNA or Club member via electronic means;
- b. sending or posting inappropriate and hurtful e-mail messages, instant messages, text messages, phone messages, digital pictures or images, or Web site postings (including social network sites e.g. Facebook or blogs) and is irrespective of whether the page could be viewed by the wider public or not;

- c. sending, receiving and/or possession of naked or sexually explicit images of a person.

2. WDNA and Club Members are to consider the following Social Media and Cyber safety recommendations:

- a. Be aware that postings, comments and/or messages from their individual ICT account or mobile phones will remain the responsibility of the account owner unless the account owner can prove that their account had been accessed by an unauthorised person and by a method outside of their control;
- b. Be vigilant about the security of their account(s) and take all reasonable steps to protect themselves, for example, not sharing passwords or allowing others to log on to their individual accounts;
- c. Be aware that where a crime has been committed, they may be subject to a criminal investigation by Police over which WDNA will have no control. This particularly applies to 'sexting' where the WDNA or Club Member is in possession of an inappropriate sexualised image of a person under the age of 18 years or have text/sms/mms of a sexually explicit nature with a person under the age of 18 years old.

D) Individual Responsibilities:

- 1. All members of WDNA must make themselves aware of the Policy and comply with the standards of conduct outlined within this policy.
- 2. Understand the possible consequences of breaching the policy.
- 3. All members of WDNA and any Club whether playing or non-playing, have a responsibility to ensure that all online communications are kept within WDNA's expectations in relation to appropriate and respectful interactions of the internet and ICT use.
- 4. All members of WDNA and any Club whether playing or non-playing must not post or send inappropriate comments via the internet or ICT about WDNA, any WDNA member, any Club or Organising Body of Netball; where
 - a. If said in person during the conduct of a netball game, would result in disciplinary action being taken, or
 - b. Such posting would be in breach of the Netball NSW Member Protection Policy.

E) BREACHES OF THIS POLICY

All members of Netball NSW and WDNA have a responsibility to ensure that all online communications are made in accordance with both NNSW and WDNA policies and are therefore of an appropriate and respectful composition.

Examples of inappropriate behaviour may include, but is not limited to, uploading of inappropriate website content and engaging in blogs that harass, bully, offend, intimidate or humiliate.

It is a breach of this policy if any person or organisation to which this Policy applies to, is found to have sent or posted inappropriate comments or communication via the internet or ICT about any registered member of Netball NSW or WDNA. It is also a breach of this Policy when the Netball NSW or WDNA's name or branding has been used in a way which negatively impacts upon Netball NSW or WDNA.

Any member of Netball NSW or WDNA who feels that they have been the victim of a breach of this Policy should:

- 1.** Save and store the offending material on their computer, mobile phone or other device.
- 2.** Print a copy of the material and report the issue in the form of a formal complaint to WDNA.
- 3.** Inform the police immediately if the content is of a sexually explicit nature.
- 4.** Report the abuse to the internet site or relevant telecommunications provider (mobile phone abuse) where relevant.
- 5.** WDNA should then manage the complaint received in accordance with the Netball NSW Member Protection Policy.

F) REPORTING AND DEALING WITH COMPLAINTS

- 1.** All reports of a breach of this Policy will be investigated fully via the normal complaints procedure and may result in a notification to Police where the WDNA is legally obliged to do so.
- 2.** A notification to Police by an individual will not override the WDNA of its responsibility to fully investigate a complaint, if one has been lodged with WDNA and such investigation will be conducted alongside any Police investigation.

Please note that members of WDNA MUST adhere to all Netball NSW Member Protection Policies including the Social Media and Cyber Safety Policies. Anything not covered in the WDNA Social Media Policy will be covered in the Netball NSW policy and referred to in the event of a complaint.

This Policy along with all MPP's can be viewed on the Netball NSW web site.

Recreation Smoke Free Policy

Council adopted the Recreation Smoke-Free Policy at the Ordinary Meeting held on 25 June 2008. It was moved by Councillor Welham and seconded by Councillor Stewart.

The purpose of the Recreation Smoke Free Policy is to protect residents, in particular children, from the harmful effects of passive smoking. The policy is further evidence of Council's commitment to a partnership which will see Wyong Shire Council staff work with the NSW Cancer Council and Northern Sydney Central Coast Health to highlight the health benefits of smoke-free areas.

Council has the ability to regulate activity in a public place by means of regulatory notice on council owned and controlled land by virtue of Section 632 of the NSW Local Government Act 1993.

Smoke-Free Zones are declared on the following Council owned and managed land:

All sports grounds and their associated infrastructure including:

- Amenities buildings and car parks
- Tennis court and netball courts
- Skate and BMX parks
- Swimming centres
- Golf driving ranges; and

Zones will also apply at:

- Council events within 30 metres of playgrounds on all parks and reserves
- Within 10 metres to the side and rear of red and yellow swimming flags on all patrolled beaches when patrols are present
- Within 10 metres of rock pools; lake and ocean baths; BBQs; picnic furniture areas; alfresco dining areas.
- Within 10 metres of entrances to Council owned or managed buildings, including balconies and covered areas
- Within 10 metres of all bus stops
- All Council owned and managed pedestrian malls and plazas
- Within 10 metres of all covered taxi ranks located on Council owned or managed land.
- Promoters of events held on land managed by Council or under the sponsorship of Council will also be encouraged to operate as smoke-free.

Note that Council does not have the statutory authority to apply this policy to privately owned land, unless that land falls within the boundaries laid out above. Privately owned land is subject to the NSW Smoke Free Environmental Act, which prohibits smoking in a wide range of public places.
