Smoking

Registrations

Each player must have their name entered on an official team sheet to allow for grading. No player will be permitted to play in the WDNA competition until registration has been checked with the Registrar. It is the club's responsibility to sight birth certificates for all junior players and collect registration fees. Unfinancial members will not be permitted to take the court. The Association recommends that junior players play in their correct age groups, if possible, exceptions may be made by the Grading Committee in extenuating circumstances.

Late Registrations

Late registrations are allowed. The following procedure will occur for 2025 Clubs who have players wishing to join a team that is not in A grade they should contact the Registrar no later than the Wednesday prior to Saturday they wish to commence playing with the information required to confirm their eligibility. Registering players into any 12 years and under competition team and 'A' Division players can be done prior to their game on Saturday. Players have the responsibility to register themselves online once they have met all the criteria. The committee has the right to allow or disallow a player to play in a nominated grade. This is done to ensure correct grading of teams is maintained.

Umpiring

Umpiring format is umpire your own, for all grades other than those taken by the Umpiring Convenor or Committee for Umpire development. Each Umpire is to wear all white, a white T shirt or check the uniform policy for inclusive uniform. All umpires must ensure that they arrive at the game on time and check nails, jewelry etc. as per rule book.

Clubs are responsible for replacing an umpire who does not turn up for a club game. Association allocated umpires will be fined \$55 if they fail to turn up for their game. This fine **MUST** be paid to the Treasurer by the following week or they will be deemed unfinancial. Division 1 umpires **MUST** be badged umpires or those umpires working towards a National C badge who has a supervisor present for the entire game.

Umpires accepted into any WDNA umpiring program **MUST** follow the guidelines as per policy. Umpires must sign the scoresheet at the finish of the game.

Physiotherapist

During the 2025 season a Physiotherapist from Healthpoint Mingara will be available for consultation throughout the day. Players who require strapping prior to their game **must provide their own tape** or purchase it from the physio, or canteen.

Books are available at a cost of \$8.00 (Plus GST). Please make sure you bring your score book each week. If you forget your book, you can ask the opposing team to score instead. All relevant information is on the cover of the score books. After each game the **yellow official sheet** is to be returned to the scoresheet box which is located at the Clubhouse **by the winning team**. Penalties will apply if the score sheet is not returned by the end of the day's competition.

It is the team responsible for scoring duty (first named team on the draw) to fill in the top of the score sheet correctly, failure to do so will result in a loss of points for that game.

Penalties / Codes of Behaviour

WDNA follows the guidelines as set down by the NSW Member Protection Policy, for more information please go to the NSW website.

Complaints / Appeals

Formal complaints must be in writing on the correct form available from administration. Complaints on the back of score sheets will not be accepted. It is important to come to administration immediately if an incident occurs on court, do not wait until the end of the game. Complaints for incorrect scores will not be dealt with, a scorer from each team should stand together for the entire game.

Final Series

Clubs will be allocated time slots for Semi Finals, Finals & Grand Finals after week 15 (9th August). It is the Club's responsibility to notify their teams of game times. If a team fails to turn up for their game during the final series due to extenuating circumstances, the Executive of WDNA reserve the right to reschedule the game time if they deem that one team has been disadvantaged.

Grand Finals

For all junior teams 12 years and under, if the scores are even at full time they will be declared joint Premiers. The team receiving the trophy on the day will be determined by a toss of the coin between both Captains. Trophies for the other team will be given to the Club ASAP after Grand Final Day. For all other divisions extra time will be played.

Litter

It is the responsibility of the association members to see that all litter is placed in the bins provided around the courts. Coaches/Managers are requested to ensure that their teams remove litter from the courts after their game. Council rangers will frequent the Courts during the Season to see if the new litter laws are being observed. Spot checks will be taken throughout the day and teams **will be fined \$20 per team** if there is rubbish left in their area. Clubs are reminded again to supervise each of their teams.

Delegates to WDNA Meetings

All delegates to WDNA meetings must be senior members and financial members of WDNA and NSW. There will be a \$22.00 (GST inclusive) fine for non attendance at a WDNA meeting.

NET SET GO NETBALL GUIDELINES

Umpiring and Coaching

- Use simple language and explain decisions.
- Umpire accordingly to the skill level of the players.
- Adopt the role of teacher/umpire rather than rule enforcer.
- Adopt an encouraging and pleasant manner to ensure an open and free flowing game.
- Be flexible, easy going with a desire to help the children to enjoy the game. Use common sense to ensure that **the spirit of the game** for children is not lost by overcalling the game.
- **Two umpires are required on these games.**
- If the game is one-sided coaches **MUST** make sure all players have a good experience.

RECREATION SMOKE FREE POLICY

Council adopted the Recreation Smoke-Free Policy at the Ordinary Meeting held on 25 June 2008. It was moved by Councillor Welham and seconded by Councillor Stewart.

The purpose of the Recreation Smoke Free Policy is to protect residents, in particular children, from the harmful effects of passive smoking. The policy is further evidence of Council's commitment to a partnership which will see Wyong Shire Council staff work with the NSW Cancer Council and Northern Sydney Central Coast Health to highlight the health benefits of smoke-free areas.

Council has the ability to regulate activity in a public place by means of regulatory notice on council owned and controlled land by virtue of Section 632 of the NSW Local Government Act 1993.

Smoke-Free Zones are declared on the following Council owned and managed land:

All sports grounds and their associated infrastructure including:

- Amenities buildings and car parks
- Tennis court and netball courts
- Skate and BMX parks
- Swimming centres
- Golf driving ranges; and

Zones will also apply at:

- Council events within 30 metres of playgrounds on all parks and reserves
- within 10 metres to the side and rear of red and yellow swimming flags on all
- patrolled beaches when patrols are present
- within 10 metres of rock pools; lake and ocean baths; BBQs; picnic furniture
- areas; alfresco dining areas.
- within 10 metres of entrances to Council owned or managed buildings, including balconies and covered areas
- within 10 metres of all bus stops
- Council owned and managed pedestrian malls and plazas
- within 10 metres of all covered taxi ranks located on Council owned or managed land.
- Promoters of events held on land managed by Council or under the sponsorship of Council will also be encouraged to operate as smoke-free.

Note that Council does not have the statutory authority to apply this policy to privately owned land, unless that land falls within the boundaries laid out above. Privately owned land is subject to the NSW Smoke Free Environmental Act, which prohibits smoking in a wide range of public places.
